

SUMMER SCHOOL TO OPEN HERE MONDAY

Is Excellent Opportunity for All Types of Pupils.

CLASSES TO BE SMALL

The borough schools will open for the summer session on Monday, July 2. Sessions will be held daily (except Saturdays and July 4) from 8:30 to 11:30 and will continue until August 12. This summer school is made possible through the co-operation of the University of Pennsylvania as all teaching will be done by advanced students from the University summer school. The session as a whole will be under the supervision of Principal George H. Wilson.

The work is limited to grades five to eight inclusive. No homework will be required of pupils but all study hours will be done in school under the teacher's supervision. Classes will be small and individual attention will be given to each pupil's needs.

The summer session aims to meet the needs of three classes of pupils: first—those who for any reason have failed of promotion; second—those who have passed but show weakness in one or more subjects; third—those whose ability and ambition place them above the average and who desire to skip a grade. Every class has a few pupils whose general knowledge from reading and other contacts makes it possible for them to skip a grade if they will take the next grade work in English and in arithmetic during the summer session. Only exceptional pupils are recommended to attempt this work.

The summer session is an opportunity, not a penalty, although unfortunately so regarded by some parents. It is a restorative period for those who are in any way retarded and it offers a chance for an uninterrupted and rapid advancement to the able and ambitious.

The summer session is open to all pupils residing in Narberth, regardless where they attend the school year. Parents who want to know where their children are during the long summer day will find in the summer sessions a satisfactory answer to the question for a part of the day, at least.

RECEIVES DEGREE

Former Narberthite, A. B. Ross, Honored at Penn Commencement.

At the recent commencement exercises of the University of Pennsylvania a degree by petition was conferred upon Abram Bunn Ross, formerly of Narberth, now living in Cynwyd, of the class of 1886. This was the degree of bachelor of science and was granted upon the petition of his classmates to "have him restored to his class." Mr. Ross, who was a brilliant student in his college days, was compelled to give up his studies because of illness in his junior year.

Later he devoted himself to the study of law, but then his health caused him to seek out-of-door occupation and he took up scientific agriculture. He was associated with the United States Department of Agriculture and established an excellent record in the development of farm management. He is now engaged in business in Philadelphia.

Exodus to Seashore and Camps Continues---Other Fireside News

Mr. and Mrs. Karl Hoffman, of Detroit, Michigan, are visiting Mrs. Hoffman's uncle, Mr. Edward Haws, of Dudley avenue, and many of their other Narberth friends.

Mrs. Robert H. Durbin and Miss Elizabeth Durbin, of Narberth avenue, entertained Mrs. Harry B. Weld, and Miss Eleanor Weld at their cottage at Avalon, for 10 days.

Mrs. Thomas J. Manning, of Hampden avenue, gave a surprise bridge party Thursday evening in honor of the twenty-first birthday of her son, Thomas, Jr. There

INSTALL OFFICERS AT BALA ROTARY

Shull Officiates as Croyle, Green, Fowler and Decker Take Office.

MEMBERSHIP IS NOW 33

A new set of officers took charge of the Bala-Cynwyd-Narberth Rotary Club Tuesday at the weekly luncheon in the Cynwyd Club in the presence of nearly all members of the crew.

Alvin E. Shull, founder of the local club, acted as chairman of the installation meeting, and in introducing the retiring president, Ezra S. Deubler, he praised the constructive work of the officers during the past year.

Dr. Deubler reviewed the history of the club since its inception, with special emphasis upon the growth of the past year. The membership, which now totals 33, has been slowly increased from the original 20. Meeting programs have been interesting, and the club members have participated freely in civic matters.

The framed charter was entrusted by Dr. Deubler to Guy Croyle, president-elect, together with the gavel of office. Mr. Croyle, in taking over the reins, asked for the co-operation of the members and thanked them for the honor implied in the position.

Mr. Shull introduced and installed the other officers, who were elected a month ago: Vice president, W. Russell Green; secretary, William E. Fowler, and treasurer, William H. Decker.

LOCAL SLUGGERS SINK 29th WARD

Narberth Continues Its Winning Ways in Twilight Game.

McMONOGLE IS STAR

On Wednesday, June 27, Narberth met and defeated the Twenty-ninth Ward in an interesting twilight game. McMonogle's brilliant baserunning featured the contest. The visitors stellar performance in the opening inning at which time they acquired their only run, looked very discouraging for the Narberth club. Cox scoring on Duffner's fly to McMonogle. Cox left third base for the home plate as Mac received the high drive.

In that same inning, Narberth playing in championship form, but still playing against a dangerous team acquired three runs. Hampshire singled on a long drive to left field, followed by Babb's triple, which scored Hampshire. Babb later scored on Gillilan's single, the shortstop's error aiding in the home-coming. Davis, reforming Babb's feat, forwarded Gillilan for the third run.

The following inning contributed two more for the local club. McMonogle singled and stole second on a close play. Glock, on

MADE SPECIAL OFFICER

William Blackledge, janitor of the Community building, has been sworn in as a special officer by Burgess Henry A. Frye.

The duties of the new officer will now include those of a disciplinary nature, in order to preserve order at the building and on the field. His especial care will be to curb the enthusiastic golfers.

The practice of long drives on the playground has resulted in broken windows and in danger to pedestrians. On one occasion a golf ball struck a baby coach with considerable force, barely missing a child asleep. On another a golf ball propelled by a baseball bat crashed through a metal guard to break a window of the library.

Complaints of similar incidents have come from residents of Windsor avenue, and Mr. Blackledge has been deputized to exert control over the situation.

AWARD HONORS AT PAROCHIAL SCHOOL

Exercises at Close of St. Margaret's Marked by Presentation of Medals.

GIVE LEGION MEDAL

The closing exercises of St. Margaret's School this year were of quite an informal character. "The reason for this," said Father Robert P. Hayes, "was for the most part a psychological one, for in our day a grade school course should be but the entering upon the threshold of education. It seems unwise, therefore, to occasion or encourage a contrary notion which may, and here and there does, exist in the minds of a few, by anything which may be interpreted as 'Commencement Exercises,' where a grade school is concerned."

In the course of the program, which was held on Sunday, June 24, gold medals and certificates were awarded to the following pupils for the successful completion of the Eighth Grade course:

Constance Manion, Betty Chain, Helen McNamie, John Gallagher, Monica Tierney, John Duffy, John Hopkins, Marie Quinn.

Medals and diplomas also were awarded as follows:

Eighth Grade—First prize, Constance Manion; second prize, Betty Chain; third prize, Helen McNamie; fourth prize, John Gallagher; fifth prize, Marie Quinn.

Seventh Grade—Honor medal, Robert Gilroy; first prize, John Brennan; second prize, Moyses McCarthy.

Sixth Grade—Honor medal, Margaret Leahy; first prize, Helen Meyer; second prize, James McCartney.

Fifth Grade—Honor medal, Darabie Cabrey; first prize, Catherine McCartney; second prize, John Leahy.

Fourth Grade—Honor medal, Joseph O'Brien; first prize, Martha Stoult; second prize, Lawrence Daley.

Third Grade—Honor medal, Margaret Blake; first prize, Paul Brown; second prize, Betty Becker.

Second Grade—First prize, Mary Elizabeth Creamer; second prize, John McKeown.

First Grade—First prize, Eleanor Cabrey; second prize, John Borden. Certificates for regular attendance and punctuality, the awards of His Eminence, D. Cardinal Dougherty, were won by these pupils:

Constance Manion, Betty Chain, John Gallagher, Robert Gilroy, Mary Dixon, Betty Kirk, Susan Gallagher, Eileen Leahy, Anna Brennan, Theodore Finn, Margaret Lynn, James Gallagher, Gertrude Holland.

The American Legion Medal, provided by the Harold D. Speakman Post, No. 356, and the Ladies' Auxiliary of the same, an award given to the boy and girl of the Eighth Grade who have been most outstanding for such qualities as

ELECT VICE PRESIDENT

At a recent meeting of the trustees of the Narberth Library Association the Rev. Robert E. Keighton was elected vice president of the board of trustees. As Miss Anna MacKeag, who has been president of the board since the founding of the library, is away for the summer, Mr. Keighton will direct the destinies of that organization until fall.

A report read at the meeting also showed that part of the new library equipment recently purchased had been installed. It includes a book stack which accommodates about 800 books, and a periodical cabinet. A telephone has likewise been installed, the number being Narberth 2498.

COLLECTION WEEK

Hear ye! hear ye! hear ye that have rubbish and refuse of any kind in your cellars, attics, basements, next week, July 2 to 7 inclusive, is designated by the borough as collection week. During it throughout the length and breadth of our town trucks will pass to make collections on the regular days for the various streets; that is, on the day of the week on which collections are made during the winter months.

FOURTH CELEBRATION PLANS AND CONTRIBUTIONS TO FUND CONTINUE

Complete List of Contributors Will Be Published Next Week.

MORE HELP NEEDED

In full swing comes the valiant vanguard of the Fourth of July contributors to make sure that the big day will not be a meager thing in Narberth borough, and each mail brings some more, all to be printed in next week's paper as the list swells to the formidable proportions the auspicious occasion warrants.

Give what you can and neither should it be said that the amount indicates the measure of the donor's concern. Who knows from what other and divers sources comes other demands, all of them good, all of them to be met, hence the fact that as little as \$1.00 can be paid and gladly accepted to help along the glorious affair which is in store for those who agree that the Fourth is truly a day to celebrate, and in a good, full-spirited way, that our hearts may be in unison as we pay tribute to this, our native land.

Give more if you can, \$1 or \$2 or \$5 or \$10, and take seriously the injunction voiced with proper neighborly regard, that none should be missing, hard and all as times may be in spots. Holding back won't make them better, or make it never last. Neither will doing the thing in which to indulge, as that always does upset every party and just how can we guess how much you are going to give? If the answer is nothing at all, why, that's all right too, and we will still be friends, with different views.

WALTER COWIN, JR., KILLED IN PLANE

Son of Local Resident Loses Life in Airplane Crash in West.

SERVED IN WORLD WAR

Walter Cowin, Jr., son of Mr. and Mrs. Walter Cowin, 206 Merion avenue, was killed in an airplane crash at Colorado Springs on June 23. He was enrolled as a student flyer in the Pike's Peak Air Service and was up with the field instructor, Captain Heimmerman, who was also killed in the crash. According to a dispatch from the Air Service, Captain Heimmerman had never had an accident in eleven years of constant flying. He had the highest government license and was using a government licensed plane which had been inspected an hour before the flight. It will doubtless remain one of the unexplained tragedies of the air.

Walter spent his boyhood in the borough, and after attending the Fairview school, entered Merion High School from which he was graduated in 1916. He was one of the first local boys to go into the service after the United States entered the war. He enlisted in the navy in April, 1917, and was honorably discharged as Quartermaster, first class, in 1919 after serving on scout patrol, submarine tenders and transport.

After the war he was in the engineering department of the Newton Machine Tool Works in Philadelphia, at the same time taking a

Magnificent Fireworks Display and Bands Will Be Big Events.

TWO BASEBALL GAMES

With the blare of bugles, the Fourth of July will be ushered into the borough and with a scintillating fireworks display which it is expected will be on a more extensive and magnificent scale than any heretofore attempted, the day will come to a close. Bands have been engaged and they will pour forth sweet melodies and stirring tunes both morning and afternoon.

Sandwiched in between the other events of the day will be two baseball games with the Indiana Professionals. The morning game is scheduled for 10:30 and the afternoon game for 3:15. As a particular reminder of the significance of the day, the Declaration of Independence will be read at the evening ceremonies.

The fireworks display is said to include more than 100 set pieces, all of a highly spectacular variety. The thing will be under the direction of a corps of experts engaged for the occasion.

The celebration is being made and response of residents to an appeal for contributions. A citizens' committee headed by J. J. Carberry is in charge of the work of raising funds. Other members of the citizens' committee are Daniel Lelich, Dr. Laver A. King and Chris Koch. J. L. McCrery is treasurer of the fund.

There was a quick and generous response to the appeal for contributions to the Fourth of July Fund and the following list covers the donations which were received in the first draft. The committee reports that indications point to the most representative community participation in the history of Narberth, and the final report will appear in next week's issue.

Amounts of a dollar or over are requested and the need of prompt action is stressed, as only a few days remain before the big time occurs.

GRADUATES AT 12

Former Narberth Pupil Makes Good in New England.

Betty Bruneel, formerly of Narberth, has just been graduated from the Belmont, Mass., Junior High School with high standing. Betty is the youngest pupil in the eighth grade group. During the year she has been president of the Dramatic Club, classroom leader of gymnastics and has excelled in all the spelling contests given from time to time. She is promoted with exemption in three subjects. In the Lewis M. Terman Group Test of Mental Ability, Betty reached an i. q. of 153 points, the second highest mark in the entire junior high school of 500 pupils; a boy of 14 having made 162 points.

It is with a great deal of pride that Betty points to her early training in the Narberth schools, where she obtained a good background to meet the much-talked-of New England high standards of education. Her mother, then Mrs. Adelaide M. Crater, was secretary of the Narberth schools.

Betty was 12 years old in May, and because of her immature years she is not going on to freshman class, but is going to take another year of advanced eighth grade work.

"Cancelled" Alarm Which Was Not Cancelled at All Causes Liz's Ruin

When the Bala-Cynwyd Fire Company received a call to rescue a Ford touring car that had burst into flames on Sycamore avenue, Merion, it made ready to dash forth on the minute, 4:15 P. M. Wednesday.

But when the alarm rang again, as the chemical truck was leaving the fire house, a fireman answered, to hear someone, evidently discussing the same blaze, say "All right, never mind."

Four minutes later another alarm came in for the same blaze, and the firemen finally reached the car to perform the last rites.

It was rather badly damaged. "Why didn't you come sooner?" demanded Dick Odiorne, 321 Merion avenue, Narberth, owner of the collegiate flivver.

"Why did you cancel the call and delay us four minutes?" retorted the firemen.

And finally the matter explained itself. Odiorne, from a nearby house, called the fire company, to be informed by an alert telephone girl that some other observer of the blaze had already sounded the alarm. Odiorne accordingly told her, "All right; never mind," and

SELECTIONS READY

Library Has Book Club Choices for June in Circulation.

Selections by the three outstanding book clubs for the month of June offer an interesting variety, and the library recommends that, instead of confining reading to the selections of one club alone, everyone read all three.

The Book-of-the-Month Club has chosen G. B. Shaw's "Intelligent Woman's guide to Socialism and Capitalism" for its club members. The book has been frequently referred to in Shaw's own words as his "last will and testament." It proves to be, even with its 460 pages of rather fine print, a very logical, entertaining, even humorous, exposition of ordinary economic problems. While dedicated to women, Shaw has no intention of limiting his audience to them, for he says at the close of his foreword, referring to men, "and if they should chance to overhear—!!!"

The Literary Guild has published for its June selection the second volume of Trader Horn's experiences. There needs to be nothing more said, for those who have read the tales of this wandering African philosopher will want to read more.

The Crime Club, a club not to be ignored, offers to its June readers "The Feathered Serpent," by Edgar Wallace. Wallace is one of the most prolific of modern writers, according to Frank Swinnerton, London correspondent of the Chicago Daily Tribune. Wallace says that his secretary takes down two installments of a serial story, one short story of 5000 words, and two 3000-word articles and types them all in one day. A whole novel in less than a week, a new Wallace book in England every few weeks, and the total sales of one million copies of his books are the figures reported from his London publisher.

Not an idle boast is the statement that our customers come from afar to buy White's sweets.

One customer drives to Narberth from Germantown; another from West Chester; many from Overbrook, from Merion, Bala-Cynwyd, Wynnewood, Ardmore, Haverford, Bryn Mawr, Villanova and St. Davids.

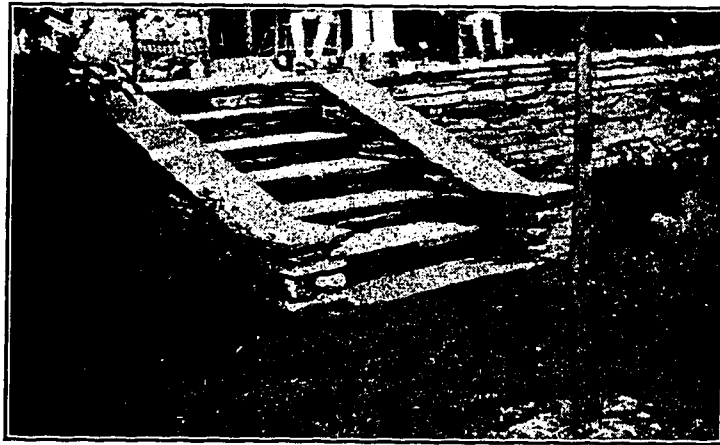

They come for our delicious pastry, baked in the most modern bakeshop on the Main Line; for the nuts that are roasted fresh every day; and most of all, for ice cream in fourteen (14) flavors, made as good as ice cream can be made.

GILFILLAN CAMP

Swimming Club

Spring Lake

Paoli, Pa.

The primary object in joining a club of this kind is that one may go there for a couple of hours in the evening for some real exercise and relaxation or enjoy a whole day in the great outdoors.

Spring Lake, because of its accessibility to the Main Line and its natural beauty, makes it irresistible. The location, combining the attractions of woods and fields, provides ideal picnic spots. The lake affords quiet, shallow water for canoeing. There is a beach for timid swimmers and beginners, and for the more advanced swimmers and divers every facility for water sports, tennis, basketball and other sports is offered. The year-round membership includes ice-skating privileges.

There is health in the great outdoors—health in its fullest sense—physical, mental, spiritual. Our late President Roosevelt said: "To be fit mentally, one must be fit physically." This exclusive little place will serve the latter purpose.

Adults, \$10.00; six to sixteen years, \$5.00. Children under twelve years of age must be attended by adults. Guest, accompanied by member, 50 cents. Special rates for families. Swimming instructions, six lessons for \$5.00.

Your Buick Dealer stands back of the USED CARS he sells

Your Buick dealer's reputation is worth far more to him than the profit on any used car transaction.

He is the head of an established business. He expects his business to grow steadily, year after year. He knows that to get more business, he must continue to please his present customers.

He carries a representative stock of used cars—including both used Buicks and cars of other makes. He offers you your choice of many makes and models, covering practically every price range.

You can ask his honest opinion of any car in stock and receive an honest answer. He wants you to be satisfied with the purchase you make because he wants you as a used or new car customer.

You're sure of a square deal when you buy from the Buick dealer. He knows that it is good business to stand back of the used car he sells you.

THIS WEATHER

"And what is so rare as a day in June, Then, if ever, come perfect days. . . . This plainly is pretty sounding nonsense, bunkum of the first water, and the product of a fertile but exceedingly inaccurate brain. Who would ever class any of the past 30 days as perfect ones? No one but a lunatic, for sure! We will wager a Model A Ford (undeliverable) against a barrel of pre-war beer (unprocurable) that the number of passable days, not perfect days because there weren't any, but the number of passable days could be counted on the fingers of one hand."

What with cloudbursts, cloudy days, rainy days, unsettled days, sultry days and combinations and permutations of all the aforementioned varieties, a record for generally disagreeable weather was hung up.

The downpour of June 19, which made a lake out of the playground, amounted to 1.66 inches precipitation, if that affords any comfort. We thought it must have been a couple of feet at least. And one Thursday, about the middle of the month, which happened to be the busiest time of the week in Our Town's editorial office, the thermometer touched 91 and that report was not made under our tin roof.

We cite these figures from co-operative observer Charles A. Decker's report merely as concrete evidence of the general meanness of the weather.

According to the head of the Philadelphia weather office, as our esteemed contemporary, but not competitor, the Public Ledger has it, this spring has been "in no way abnormal."

It was simply inconceivable, sending its rainstorms and its dropping temperatures on the wrong days. But as the commentator pointed out this is small consolation for ruined week-ends.

LETTER TO EDITOR

A MINOR TRAGEDY

To the Editor of Our Town:

The writer has heard that there was weeping and gnashing of teeth in the borough last week when it was learned too late, alas too late that a bottle of champagne, old vintage, non-synthetic was broken over the hood of the new post office truck. In your last week's issue you reported that this vehicle was a model A Ford. My observation shows me that it is a model T instead. Your news source was evidently suffering from a case of mistaken identity or perhaps some of the champagne found a more natural end than that of lubricating the joints of a Ford.

How, one may well wonder, can anyone get a bottle of champagne in these prohibition days when one risks one's fair name to procure synthetic gin and Scotch? The secret is easy; the Government can do anything. With a huge corps of pussyfoots slinking around there should be little trouble for every post office in the country to have as many bottles of champagne as it desires to christen its new apparatus.

The second question of soul-stirring nature is less easy to answer. It is this: Providing anyone is fortunate enough to acquire a bottle of real champagne, what under the sun, moon and stars, planets and meteors would cause him to use said bottle in such a way that no one was the better off for it and on a piece of unfeeling, unthinking and untasting machinery which received full benefit (if such it can be called) of this aforementioned precious bottle?

That the post office staff used method in their madness is shown by the fact that the christening took place in a back alley, and also that invitations to attend were limited to well known dregs. I feel indeed honored in not receiving such an invitation.

SCOTTY.

KOPF-CHALFANT

Narberth M. E. Church Scene of Ceremony Saturday.

Last Saturday afternoon at 4 o'clock in the Methodist Episcopal Church, Miss Mary Fitz-Randolph Chalfant, daughter of the Rev. and Mrs. Harry M. Chalfant, of 128 Chestnut avenue, became the bride of the Rev. Carl Heath Kopf, of Buffalo, N. Y. The ceremony was performed by the bride's father, assisted by the pastor of the church, the Rev. Samuel MacAdams, and was followed by a reception at the Merion Tribute House.

The bride looked charming in a gown of ivory lace satin, with a veil of Brussels lace trimmed with orange blossoms. The maid of honor was her sister, Miss Dorothy Lynde Chalfant, who wore an orchid frock of georgette and carried pink snapdragons and roses. Miss Beulah Carol Chalfant and Miss Lillian Kopf were bridesmaids, and wore pink salmon georgette gowns with picture hats to match.

The bride was given in marriage by her brother-in-law, Mr. Allan Franklin Gwynne. The bridegroom was attended by Mr. Herbert Vogt, of Buffalo; Mr. George Philips, of West Chester; Mr. Gordon Peterson, of Paterson, N. J.; Mr. Theodore Moore, of Danville; Mr. Charles Bannerman, of Elizabeth, N. J., and Mr. Henry A. Frye, of Narberth.

The bride is a graduate of Wilson College, and for several years has been at the head of the English Department of the Caskin Girls School of Devon.

The bridegroom is a graduate of Princeton University and has been a student of theology in the Boston University. He is pastor-elect of the Crombie Street Congregational Church, Salem, Mass., at which place the couple will be at home after September 1.

The bride's mother wore beige georgette with orchid hat and a shoulder-piece of orchid.

The church was decorated with pink and white roses and blue delphinium by Miss Miriam Ward.

Miss Mary Katherine Laidlaw, a

cousin of the bride, sang "O Promise Me." Mr. Paul McClintock, also a relative, accompanied her and played the wedding march from "Lohengrin."

Out-of-town guests were Mr. and Mrs. Kopf, Miss Lillian Kopf, Mr. and Mrs. Herbert Vogt, of Buffalo, N. Y.; Mr. and Mrs. Gordon Peterson, of Paterson, N. J.; Miss Eleanor Kirkpatrick, of Scranton, Pa.; Miss Isabel Boone, of Bethlehem, Pa.; Miss Alice Rowe, Miss Ruth Worthington and Miss M. Sherman, of Roxbury, Mass.; Mary Katherine Laidlaw, Antoinette Laidlaw, Mr. and Mrs. Allan Franklin Gwynne and Allan, Jr., of Carmichael; Mr. and Mrs. Harrison Denning Mason, Jr., and son John, of Ebensburg, Pa.; Miss Ruth A. Chalfant, of Charleroi, Pa.; Miss Helen F. Randolph, of Pittsburgh; Franklin, Hazel and Elizabeth T. Randolph, of Wilkesburg, Pa.

MERCHANTS MEET

Twenty members of the Narberth Board of Trade attended the June meeting Monday night, held in the form of a supper. President Chris Koch was in the chair.

The meeting was devoted largely to routine matters, in anticipation of a suspension of formal meetings until early fall. A picnic is being planned for July 18.

The removal of the freight station came in for its usual quota of have decided to abide by the plan defined by railroad officials at the last meeting.

A letter from the Lower Merion High School alumni association, suggesting the establishment of a local scholarship was referred to a committee for investigation. Two such scholarships are now given annually by the Bryn Mawr Business Association to pupils from that town.

A lengthy report from the advertising committee showed the members that concrete work is being done to control the flood of solicitations for advertising and donations. A plan has been approved whereby advertising schemes are scrutinized by the committee before solicitation is approved.

Donations and program "advertising" are inspected carefully to assure the business men that the benefit goes to a Narberth organization or church and not to an outside promoter. By the application of this plan it is expected

thousands of dollars will be saved without sacrificing any support to local appeals.

T'WAS CLOUDY

Summer Solstice Got Weepy Welcome on Main Line Last Week.

Cloudy, cloudy, cloudy—that was the way last week's weather went here, according to Charles J. A. Decker, Main Line Co-operative Observer. Last Tuesday was cloudy, and so were Wednesday, Thursday, Friday, Saturday and Sunday. Rainfall was only .08 inch on Thursday, however, when the sun rose at 5:32 A. M. and set at 8:33 P. M. for the summer solstice—its longest day.

Rain fell every day in the week except Wednesday, and not until Monday were clear skies noted. The temperature, meanwhile, was lowest on Friday and Saturday, when a 55-degree temperature was recorded at night-time; and highest on Monday, when it rose in the afternoon to 87 degrees. The high and low for each day was as follows: Last Wednesday, 72-67; Thursday, 69-59; Friday, 64-55; Saturday, 68-55; Sunday, 82-60, and Monday, 87-67.

BOOKSELLERS ADJOURN

Held Last Meeting Till Fall With Ten Members Present.

The Main Line Booksellers' Association held its last meeting of the season on Monday night at the residence of Mrs. Helen B. Sullivan, at 121 Argyle road, Ardmore. Those present were: E. S. McCawley, president; Newman F. McGirr, secretary; Mrs. Sullivan, Miss Sullivan, Miss Whitford, Miss Coit, the Misses Stockett, Miss Gifford and Miss Helen Lloyd.

The members reported business for the spring as unusually good. Mrs. Sullivan plans to close the Book Shoppe till after Labor Day, but all the other members will continue business during July. Other business matters were discussed.

LEMIRA M. BEATY

Miss Lemira M. Beaty died Sunday at her home, 417 Haverford avenue, of arteriosclerosis, at the age of 84 years. She is survived by her sister, Mrs. A. J. Loos, Narberth. Funeral services were held Tuesday. Interment was made in Salem, Washington county, N. Y.

THAT UNEASY FEELING

Off for a trip to the seashore or mountains and a still, small voice says: "You left the gas on in the kitchen," or "You forgot to tell the milk man," or "The front door is unlocked."

We all know the feeling. Another similar worry, easy to prevent, is "We should have ordered our coal to be put in."

Go away with a clear conscience. A phone call to Narberth 3675 will help a lot.

NEW TAILOR TRADE BODY PLANS PICNIC

Outing Will Be Held July 18
—Shops to Close Saturday
Afternoons.

GIVE PARADE ROUTE

Plans to hold a parade and picnic Wednesday, July 18, and to close Saturday afternoons during the summer were made by directors of the Main Line Tailors, Cleaners and Dyers' Association at a meeting held in Moose Hall, Bryn Mawr, Tuesday night.

The tailors, whose association numbers most of their trade along the Main Line from Bala to Paoli, will parade July 18 from Bala to Malvern, and will then proceed to Schwenkville for a picnic—the first in the history of their body, which was formed only recently. The route of the parade will be from Fifty-fourth and City Line up Bala avenue to Montgomery pike, to Haverford avenue, Narberth, out Essex avenue to Windsor avenue to Wynnewood road to Lancaster pike and out Lancaster pike to Malvern.

Committees to take charge of picnic arrangements were named by Max Siman, Bryn Mawr, president. Albert Goldberg, Bryn Mawr, heads the sports program, and is assisted by Rubin Blafkin, Cynwyd, and Charles Hewitt, of Narberth. Joseph Adelizzi, Narberth and Cynwyd, is chairman of the entertainment committee, aided by Joseph Troncelliti, Bryn Mawr, and Frederick Masciangelo, Wayne.

Close for Summer Week-ends.

Closing of their shops at 1 P. M. on Saturdays during July and August was decided upon by the tailors, in the belief that their employees, and, through them, the patrons, would gain in increased efficiency and service as a result of the lengthened summer week-ends. The policy will go into effect Saturday, July 7.

Officers of the association, which invites all Main Line tailors not already affiliated with it to communicate with their secretary, are Max Siman, Bryn Mawr, president; Vincent Troncelliti, Ardmore, vice president; Alphonso Talone, Ardmore, treasurer; M. S. Fitti, Ardmore, secretary, and 12 directors as follows: Albert Goldberg, Bryn Mawr; Charles Hewitt, Narberth; Harry Mongin, Cynwyd; M. Dagan, Ardmore; M. Natale, Wayne; Emidio de-Joseph, Wayne; Joseph Adelizzi, Cynwyd and Narberth; Rubin Blafkin, Cynwyd; Joseph Troncelliti, Bryn Mawr; Alfred Calandra, Berwyn; Nicholas Zinni, Ardmore, and Frank S. Avil, Malvern. Meetings of the association are held the second Tuesday of every month.

MAIN LINE TO HAVE NEW POSTAL RATES

Post Card Mailings Reduced
to Old-time One Cent
Charge.

GO INTO EFFECT JULY 1

Postmasters along the Main Line have received from Postmaster General Harry S. New a series of regulations which will go into effect here July 1, with the new Postal Rate Act, it was announced this week. The new orders, 786 to 792, inclusive, are summarized as follows:

Rate on private mailing or post cards reduced to one cent each.

The transient second-class rate, the rate which the general public pays, reduced to one cent for each two ounces or fraction thereof.

A special rate is provided for library books mailed to readers by public libraries, organizations or associations not organized for profit, and when returned by the readers, such rate being three cents for the first pound and one cent for each additional pound to any point within the first, second, or third zone, or within the State in which mailed.

The special handling postage charge on fourth-class matter is reduced and graduated according to the weights of the parcels, namely, 10 cents for parcels weighing not more than two pounds, 15 cents for parcels weighing more than two pounds but not exceeding 10 pounds, and 20 cents for parcels weighing more than 10 pounds.

An additional charge of one cent

for each ounce is prescribed for first-class matter reaching the office of address short-paid more than the one rate of two cents; that is, if a letter is short-paid only two cents that amount will be collected as postage due upon delivery, but if a letter or other first-class matter is short-paid more than two cents, then the deficient postage and an additional charge of one cent for each ounce or fraction thereof will be collected on delivery. The purpose of this extra charge is, of course, to effect a decrease in the amount of short-paid first-class matter deposited for mailing.

Provision is made for the acceptance under certain regulations of business reply cards and envelopes and the collection of the postage thereon upon delivery of the cards and envelopes to the person or concern who originally mailed them, a postage charge of not exceeding two cents and above the regular postage being made for this service.

Persons desiring the privilege of sending out business reply cards and envelopes for return to them under the provisions of the new law must make application for a permit for this privilege. Postmaster Dolan asserted:

"Each lot distributed for return shall consist of not less than 1000 cards or envelopes," Mr. Dolan explained. "A cash deposit of not less than 10 per cent of the amount of postage chargeable at the rate of three cents on all business reply cards and four cents each on all business reply envelopes comprising each lot distributed by the permit holder shall be required." The special delivery fee for letters and packages of first-class mail not exceeding two pounds in weight will be 10 cents as at present, while on packages of such matter exceeding two pounds but weighing not more than 10 pounds the fee will be 20 cents and on packages exceeding 10 pounds, 25 cents.

Postmaster Dolan listed the following new registry fees: Valuation up to \$50, 15 cents; from \$50 to \$100, 20 cents; from \$100 to \$200, 30 cents; from \$200 to \$300, 40 cents; from \$300 to \$400, 50 cents; from \$400 to \$500, 60 cents; from \$500 to \$600, 70 cents; from \$600 to \$700, 80 cents; from \$700 to \$800, 90 cents; from \$800 to \$1000, \$1.

A change has been made in the rate of postage on air mail, effective August 1. The rate will be five cents for the first ounce or fraction and 10 cents for each additional ounce or fraction regardless of distance.

Bulk lots of identical pieces of third-class matter may be mailed in quantities of not less than 20 pounds or 200 pieces, at the rate of eight cents a pound or fraction thereof for all other third-class matter, provided, that in no case shall the postage be less than one cent a piece.

Local zone, seven cents and one cent; zones 1 and 2, seven cents and one cent; zones 3, eight cents and two cents; zone 4, eight cents and four cents; zone 5, nine cents and six cents; zone 6, 10 cents and eight cents; zone 7, 12 cents and 10 cents; zone 8, 13 cents and 12 cents.

FOURTH PLANS READY

(CONTINUED FROM THE FIRST PAGE)

points, and we won't complain at all as long as you make the contribution, which will make us friends with the same viewpoint once again, so quickly do men and manners change.

The question, then, is not what you are going to give, but when are you going to give it, as the American Legion men are straining at the bit in their desire to know how far they can go with the fireworks order, and surely they ought to know not later than Monday. The stores will take your share if stamps are not handy and they will also hand over the Courtesy Tag that goes with every contribution.

News comes that Dotti's big concert band has been secured and will play afternoon and evening. Those who know will at once agree on the kind of jubilee which is going to hold forth as this organization can pick and choose its own way pretty well, and they know what they are about in heading hither.

All of which, added up as best it can be, means that your name is looked for on the list and your generous donation is momentarily expected.

Won't you please send it along today—or not later than Sunday? And don't hold back because you would like to give more than present, passing circumstances will allow.

Endorsed.

Township Treasurer Peter C. Hess, Bala, president of the Lower Merion and Narberth Republican Association, was re-elected to office by that organization at a dinner meeting Wednesday night in Whitehall at Haverford. So were the other officers, who include Squire I. Warner Arthur, Rosenmont; Charles V. Noel, Narberth, and Andrew Macdonald, vice presidents, and William G. Hower, Bryn Mawr, secretary-treasurer.

Other action by the association was the formal endorsement of the entire Republican ticket, which will come before the voters in the November election and the discussion of plans for the warm Presidential campaign, which is expected in the fall. While the nomination of Hoover by the Republican national convention met with strong approval from the association members who have found sentiment among Republicans here overwhelmingly for the Secretary of Commerce, district leaders attending the meeting, declared that Democratic candidate Governor Smith had developed a following among some of the Republicans of the Main Line, and that efforts would have to be made to keep these from splitting their tickets in the fall voting.

While the action of the associa-

tion in approving the Republican slate was purely routine action, it is believed that this meeting was the first in Montgomery county and probably in the State at which a Republican district organization has formally endorsed Hoover, Curtis and the State ticket.

Sixty members attended the session and heard their leaders endorse the national and State Republican slate. One of the speakers was Frank H. Sykes, Cynwyd, president of the Lower Merion Township Commission, who lauded the Presidential and Vice Presidential candidates of the party and reviewed their accomplishments. Another was Assistant District Attorney Corson, of Norristown, who told of the need of harmony and zeal for the fall campaign.

Other speakers included Township Commissioners Albert Gray and Dr. Charles Seidel, both of Bryn Mawr; Dr. Frank P. K.

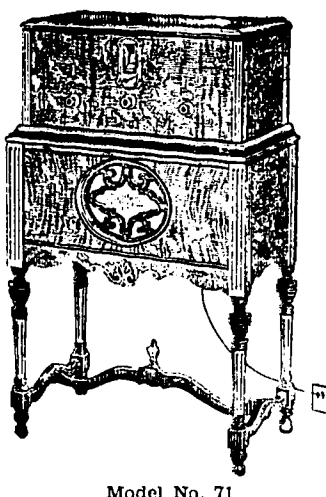

Barker, Gladwyne; Magistrate Franklin P. Kromer, Cynwyd; Assemblyman Fred C. Peter, Ardmore; County Registrar of Deeds William G. Hower, Bryn Mawr, and Township Treasurer Hess.

Announcement was made during the session by President Hess that the annual picnic will take place in September.

Mrs. R. S. Basler, of 219 Iona avenue, is visiting in East Orange, N. J.

At the Theater

Audiences at the Narberth Theater last night and tonight are getting a hilarious new angle on what happens behind the scenes in our leading educational institutions. And, incidentally, they are discovering why pretty coeds prefer the athletic rah! rah! boys to the brainy lads who are sharks in calculus, but who can't figure out how many forward passes make a touchdown.

Buster Keaton provides the enlightenment in his spectacular comedy, "College." The frozen-faced star starts out as a bookworm, a university high-brow deluxe, and he winds up as a bone-breaking, fire-breathing varsity star. He doesn't become an athlete because he particularly likes strenuous sport, but because his sweetheart shames him into an ambition for physical prowess.

"College" is a real photo scream and a picture with a story which holds the spectators' interest all the time. Although the feature is crammed with laughs, it also has a delightful love story and a number of thrilling moments which would do credit to any melodrama. The climax of "College" is a boat race in which Keaton, as a coxswain, blunders his crew to victory while thousands of spectators look on.

Dozens of athletic champions, men who have defeated the world's stars at the Olympic games and in intercollegiate competition, appear with Keaton in many of the scenes. The great athletes in "College" include Bud Houser, Olympic winner of the shot-put and discus; Lee Barnes, world's champion pole vaulter; Kenneth Grumbles, national intercollegiate low hurdles champion; Leighton Dye, national intercollegiate high hurdles champion; Charles Borah, who shares with Charles Paddock the honor of being the "world's fastest human."

Marie Prevost harks back to her early days in the films in her latest production, "The Rush Hour," which will be on view at the Narberth Theater on Monday and Tuesday.

In one sequence Miss Prevost is called upon to ride an aquaplane board behind a fast speed boat. Not since she left the fold of Mack Sennett has Miss Prevost been given a vehicle wherein she could return to the top of the briny as a "water baby."

Prevost film fans who have waited the thrill of Marie riding an aquaplane board will certainly get several when they see this thrilling photoplay. Harrison Ford, David Butler, Seena Owen, Ward Crane and Franklin Pangborn are listed in the cast.

GENERAL ELECTRIC Refrigerator

The General Electric Refrigerator is really revolutionizing the marketing habits of the modern homemaker. Instead of the every-day trip, she now only goes two or three times a week. She saves time, energy and money.

The unusual roominess and the scientifically correct temperature of the General Electric Refrigerator make it possible to store a quantity of food without any chance of

spoilage. It makes menu-planning easier, too.

The General Electric has been called the "most sanitary refrigerator on the market." It is easy to keep clean inside and outside. The circulation of air through the coils actually prevents dust from settling. And it's easy to clean underneath. Come in today and select the size and price model that best can serve your home.

PROFESSIONALS—A widower was about to be married for the third time and his bride-to-be had been married twice before. The groom-elect wrote across the bottom of the wedding invitation sent to a friend: "Be sure to come; this is no amateur performance." Our invitations and solicitations for orders for groceries in general are extended to you on much the same basis. "Co-operation Cuts Costs" is our slogan, which is not an empty collection of words, for a slogan that means "Service" at a lower price than food could otherwise be sold is surely "no amateur performance."
